E-Access A-EPL -connections will be terminated to the hub that is situated in the same Elisa's SMP region. If customer's hub is situated in different Elisa's SMP region than the E-Access A-EPL -connection, the connection will be priced case-by-case.

This price list is valid for the time being. Prices apply to the connections to Elisa's existing network. The prices quoted are exclusive of VAT. Taxes and any other official charges valid at any given time will be added to final prices. The prices quoted here do not include indoor network in properties.
