

Local Transmission Connections

One-off charge covers establishment costs of the connection.

Monthly charge covers maintenance and any ongoing operational and administrative costs.

Prices are valid only in those cases where both ends of the connection are inside the same local backbone area. If both ends of the connection are inside same local backbone area 1 then pricing by local backbone area 1 prices. Any other case the pricing by local backbone area 2.

2 Mbit/s	One-off charge
Subscriber line	€870
Backbone line	€600
Backbone line and one subscriber line	€1160
Backbone line and two subscriber lines	€1460
Moving subscriber line in the same building	€620
Modifications to the line speed, no installation by an engineer	€190
Modifications to time-slots, no installation by an engineer	€190

2 Mbit/s	Monthly charge
Subscriber line with one interface, G.703 tai V.35 *	€120
Subscriber line wiht two interfaces, G.704 tai V.35*	€145
Backbone line, local backbone area 1 **	€100
Backbone line, local backbone area 2 **	€150
Backbone line with backup, local backbone area 1 **	€130
Backbone line with backup, local backbone area 2 **	€240
Extra charge for G.704 interface ***	€13
Extra charge for non G.703 interface in Elisa premises ****	€30
Multiplexing 63*2M (STM-1)	€945

*) Alternative interfaces are V.35, V.11 or X.21

***) See local backbone areas

****) Subscriber line with one interface, G.704

*****) V.35 interface in Elisa premises

Improvement or renovation of indoor/house network will be charged separately. Subscriber line with backup connection will be handled a case-specific.

155 Mbit/s	One-off charge
Subscriber line	€1250
Backbone line	€1030
Backbone line and one subscriber line	€1610
Backbone line and two subscriber lines	€1790

155 Mbit/s	Monthly charge
Subscriber line	€580
Backbone line, local backbone area 1 *	€510
Backbone line, local backbone area 2 *	€690
Backbone line with backup, local backbone area 1 *	€820
Backbone line with backup, local backbone area 2 *	€1110

*See local backbone areas

Improvement or renovation of indoor/house network will be charged separately. Subscriber line with backup connection will be handled a case-specific.

622 Mbit/s	One-off charge
Subscriber line	€1640
Backbone line	€1030
Backbone line and one subscriber line	€1790
Backbone line and two subscriber lines	€2080

622 Mbit/s	Monthly charge
Subscriber line	€830
Backbone line, local backbone area 1 *	€920
Backbone line, local backbone area 2 *	€2000
Backbone line with backup, local backbone area 1 *	€1480
Backbone line with backup, local backbone area 2 *	€4200

*See local backbone areas

Improvement or renovation of indoor/house network will be charged separately. Subscriber line with backup connection will be handled a case-specific.

Volume discount	
Tax-free charges €/year	Discount %
300 000 - 600 000	3 %
600 001 - 1 500 000	6 %
1 500 001 - 3 000 000	11 %
≥ 3 000 001	15 %

Volume discounts are only affected for monthly charges. No discounts are given for one-off charges. Discount is calculated using monthly charges of price list. Add up all tax-free monthly payment without any discount together. This total annual invoice sum gives valid discount percent. Discount limits will be checked only by request of the operator customer. All prices are exclusive of taxes and other official charges.
